

## K 271 MK II

- **Professional circumaural hi-fi stereo studio headphones**
- **Self-adjusting headband for optimum fit**
- **Patented Varimotion speakers**
- **High noise attenuation**
- **For onstage and studio use**
- **Automute feature mutes headphones when they are taken off**
- **Leatherette and additional velvet ear pads**
- **Single-sided, detachable 3 m cable and additional 5 m coiled cable**

The newly designed AKG legend, K 271 MK II combines the benefits of AKG's circumaural design for extreme comfort and a closed-back design for maximum isolation from ambient noise. Thanks to its XXL transducers, the K 271 MK II sounds clean, smooth and very rich.

The K 271 MK II is the perfect choice for any application where sonic bleed could cause problems such as broadcast work.

Another important feature of the K 271 MK II is the addition of a switch in the headband that mutes the audio just as soon as the headphones are taken off.

## Specifications

## Engineer's specifications
